## GREAT STRATEGY OF OLD GUARD KEPT A DEADLOCK

By DAVID LAWRENCE  
Copyright 1920 by Janesville Gazette  
Coliseum, Chicago, June 12.—The old guard, by masterful strategy, deliberately kept Wood and Lowden in the lead in the republican national convention while Harding was brought up to pass Johnson and thus eliminate him. Slowly the forces which had combined over night to get Wood out of the race, did all they could for Lowden and then began to bolster up Senator Harding. It was plain that the senatorial group would not let Wood win and seeing that Lowden was making little headway they prepared to try out Harding.

It looked risky for Harding as the convention took a recess after the eighth ballot, but nobody knew what the Wood forces might do when once they broke. Senator Johnson began to lose control of his delegates and the rumor went around that when the balloting resumed at 4 p. m. central time, California, Massachusetts and Missouri, with a total of 97 votes, would go over in a body to Harding.

Senator Borah reflected the Johnson view that there would be no objection to Harding. It was generally believed that Senator Johnson approved of Harding in conferences with the Lowden managers. If Harding is nominated it probably means the selection of Governor Cox of Ohio, president or vice president on the democratic ticket, with the prospect of McAdoo and Cox being the ticket.

The battle ground will be Ohio. Senator Harding is an amiable man with many of the general characteristics of McKinley. He hasn't much of a reputation for decisiveness, but is nevertheless a clean record. He is one of the conservative school and has voted for the creation of a new state with the Lodge reservation, so that his victory would be a blow to the irreconcilable group in the senate.

## HUNDREDS CALL FOR G. O. P. NEWS

Use of Gazette telephones today was at the highest ebb consequent upon the National Republican convention at Chicago. Starting at 8 a. m. the junior answered a call at Chicago, asking "What they call at Harding?" from that time on until later this afternoon operators were kept constantly on the wires answering the scores of calls.

With the opening of the session (during the morning and as the first reports came over the leased wire of the Associated Press a bulletin service was established in the business district. Messenger boys, in a continual stream, posted the latest reports from the convention hall on store windows and in the hotels.

The rural districts are taking just as much interest as the city. Long distance calls were made to Madison, Milwaukee, Racine, Edgerton, Watertown, Evansville, Oshkosh, Manitowish, Dodgeville and many other places.

Should the convention hold over tonight and tomorrow the Gazette will continue to maintain its service.

## PENROSE SAYS HARDING CAN WIN THE FIGHT

Philadelphia, June 12.—Senator Penrose in a statement this afternoon gave unqualified endorsement to Senator Harding as the man pre-eminently fitted for the presidency. He said:

"We learn with pleasure that Senator Harding is the prospective nominee of the republican party for the nomination at the Chicago convention."

"I had frequent conferences with him. He is suited perfectly for the office he should be nominated. It would be a splendid thing for the republican party and satisfactory to all republicans."

Coliseum, June 12.—Members of the Pennsylvania delegation said they had received a telegram from Senator Penrose's physician, saying the senator was very low and might not live through the day. For that reason they were inclined to question the statement respecting Senator Harding attributed to the senate in Philadelphia.

## Life Sketch of Warren Harding

Warren G. Harding has always been a resident of Ohio, which state he has represented as United States senator since 1914. In private business life he is publisher of the Marion, Ohio, Star.

He was born on a farm, near the village of Blooming Grove, Morrow county, Ohio, November 2, 1865, the eldest of eight children. His father, George T. Harding, was a country doctor whose forebears came from Scotland. Before going to Ohio, the Hardings were residents of Pennsylvania, where some of them were massacred by Indians. Others fought in the revolutionary war. The mother of Warren, Mrs. Phoebe Dickerson, was descended from an old-time Holland Dutch family, the Van Kirks.

In his youth Warren Harding lived the life of a farmer boy attending the village school until 14 years of age, when he entered Ohio Central college of Iberia, from which he was graduated. As editor of the college paper he first displayed a talent for journalism. He was obliged to stop school now and then and earn the money with which to pursue his college course. At one time he cut corn, at another painted barns, and at still another drove a team and helped to grade the roadbed of a new railway. At 17 he taught a district school and played a horn in the village brass band.

At odd times he worked in the village printing office, in time becoming an expert typesetter and later a linotype operator. He is a practical pressman and a job printer, and as a "make up man" is said to have few equals. The luck piece he has carried as a Senator is the old printer's rule he used when he was sticking type.

In 1884 Dr. Harding moved his family to Marion. A short time afterward the father purchased for Warren Harding The Star, then a small paper.

On the paper Warren Harding performed every function from devil to managing editor. In all the years the senator has owned it there has never been a strike or a threatened one.

Senator Harding is closely identified with many other large business enterprises in Marion and other parts of the state. He is director of a bank and several large manufacturing plants and is a trustee of the Trinity Baptist church.

Mr. Harding has twice represented the 13th Senatorial district of Ohio in the state legislature and served one term as lieutenant governor. At the 1914 election Harding was elected United States senator by a majority of more than 100,000, running 73,000 ahead of the next highest on the ticket. In the senate he is a member of the Committee on Foreign Relations. Senator Harding married Miss Florence Kling in 1891.

## SAMSON SHUTS OUT BASEBALL RESULTS CHICAGO NINE, 3-0

The samson Tractors defeated the Rogers Park outfit, 3 to 0, at the fair grounds this afternoon in one of the best home games of the season. The same two teams will mix things again at 3 o'clock tomorrow.

Beale's home run in the seventh and spectacular hitting of Breckenridge, Dunbar and Capron were features.

Bill Lunkhor pitched brilliant ball for the home club allowing only four hits which he kept well scattered and striking out six Chicagoans. The Samson clan swung mean war clubs garnering a total of eight hits, two of them doubles, by Beale and Schwinn, and Beale's homer.

Sam Lafferty, old Beloit star, pitched for Rogers Park.

The game was played in record time, 1:20.

STATE PROBES CHARGE IN STRIKE CASE ACTION  
Manitowoc.—Representatives of the state board of health were here and had City Building Inspector John Peppard "on the carpet" under charges of discrimination against builders in an attempt to use his official position to aid the plumbers' union. The charges grew out of a prosecution he recently started against a contractor and which he lost in court. He denies the charge. The case was taken under advisement.

## ST. PAUL EMPLOYEE LOSES TWO LEGS UNDER CAR WHEELS

Clarence McGlinley, 20, a Chicago, Milwaukee and St. Paul railway car repairer, had both legs severely crushed at 3:30 o'clock this afternoon when he fell under a car in the west yards.

McGlinley was rushed to Mercy hospital and placed on the operating table. Railroad men believed that it would be necessary to amputate both feet.

The young man lives with his sister, Mrs. Patrick Connors, at 18 S. Jackson street. McGlinley is known among the younger people of the city.

McGlinley is said to have been standing with his back to the track on which a switch engine was pushing a string of cars. He failed to hear the approaching train and was struck down and pulled under the cars.

## CHINESE ARE HOPEFUL OF REUNITING NORTH AND SOUTH FACTIONS

[BY ASSOCIATED PRESS.]  
Shanghai.—Chinese officials here are looking forward hopefully to the possibility of reuniting the divided north and south factions. The government to include representatives of both North and South China, and the belief that the long separation of the north from the south was about to be ended and the disputes of the two governments to be composed was strengthened by the revolt led by Wu Tingfang, finance minister of the southern government and chairman of the administrative council. Dr. Sun Yat-sen, leader of the original parliament, was the leader of the north. The government at Canton was a thing of the past and that the leaders of the southern faction intended to help organize a new united parliament in Shanghai. Dr. Sun Yat-sen, however, was not in Shanghai, and he could no longer trust the men he had to work with there. ## COLISEUM, Chicago, June 12--Warren G. Harding, United States Senator from Ohio was nominated for president of the United States by the Republican National Convention on the Tenth ballot which came immediately after the reassembling of the delegates. His nomination was made unanimous.

(By Associated Press)  
Harding Got 520 votes on the tenth ballot and in a tumult the nomination was received.

Chicago, June 12.—No agreement as to adjournment over Sunday could be reached at a conference in which Gov. Lowden, Will Hays, chairman of the national committee, Harry Daugherty, Gov. Harding's manager, and Charles E. Warren of Michigan, former national committee member, participated while the convention was reassembling.

Coliseum, Chicago, June 12.—Gov. Lowden released his delegates after Kentucky had voted.

## MEMORIAL FUND PRESENTED TO JUSTICE WINSLOW

Madison, Wis., June 12.—A tribute of the regard and esteem with which Chief Justice John B. Winslow of the Wisconsin Supreme court is held by the Wisconsin Bar Association, was the presentation to the justice of a memorial fund of 15,000. Announcement of the gift was made today.

The tribute represents the spontaneous and voluntary contribution of practically every lawyer in the state of Wisconsin. Judge Winslow has been a member of the supreme court since 1891 and chief justice since 1907.

At a time when this expression of the confidence of the bar profoundly moves him would but faintly show his feelings, his acceptance of the memorial fund was a testimonial, "No event of my life has affected me more greatly."

The testimonial was presented in a communication from the bar by the officers of the state bar association and its acceptance was expressed in a letter from Judge Winslow.

## CHILDREN TO CAMPAIGN FOR NEW HIGH SCHOOL

Fond du Lac, Wis., June 12.—The school children of the city were enlisted in the campaign to secure additional funds for the erection of the proposed new high school building. Every child carried home a petition to the commission council asking that the school board's request for additional funds be granted. All who are successful in getting their parents to sign will return the petitions before next Tuesday, when action by the council is hoped for.

A \$50,000 bond issue has been authorized; a second issue of similar amount to build a junior high school was lost at the polls, and in order to make the funds available reach as far as possible, the board asked the council to appropriate \$100,000 to purchase a site and furnish the equipment. So far the council has demurred.

## MERRY BATTLE OF FORMER BIG LEAGUE STARS IS BEING STAGED IN THE EASTERN

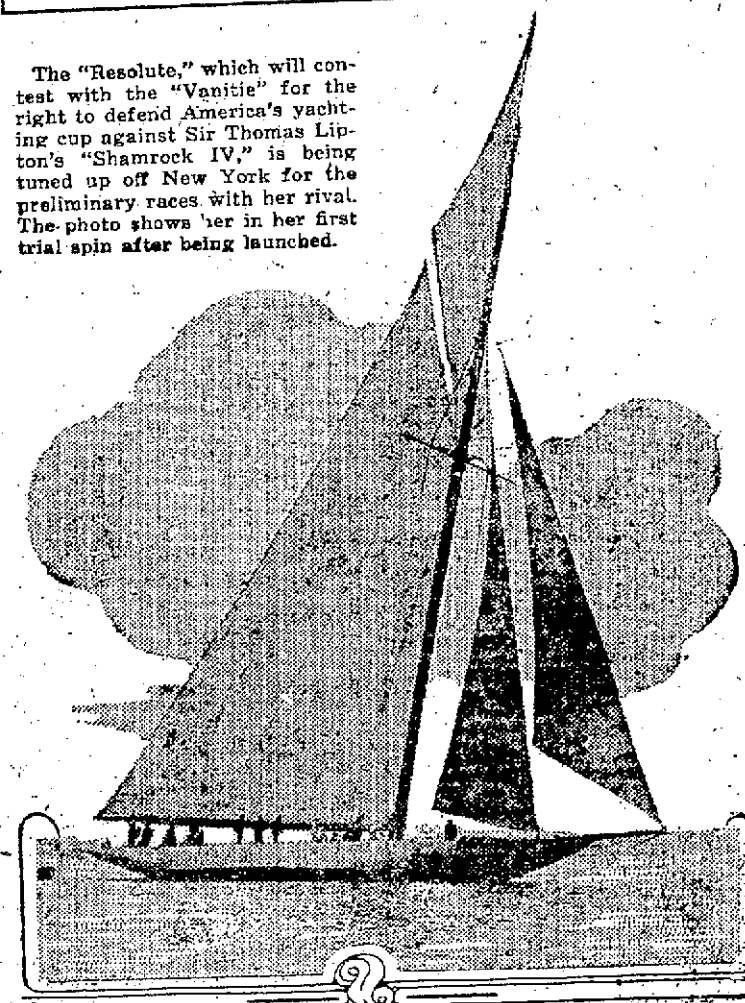

Above: Chief Bender, at left, and Ed Walsh. Below: Joe Birmingham.

The Eastern league pennant race this season is enlivened by the contest for supremacy of three former American league stars now managing teams in the minor circuit. Joe Birmingham, former star center fielder and manager of the Cleveland club, is

bossing the Pittsfield club. Big Ed Walsh, famous White Sox hurler, is pilot of the Bridgeport club, and Chief Bender, Connie Mack's former pitching brave, is manager of the New Haven club. Birmingham led the Pittsfield team to the pennant last year. Bender was the star hurler of the New Haven club last season, but this is his first season as pilot of the team. It's the first year as pilot in the league for Walsh, too.

Passed by the Convention  
of A. F. of L.

Montreal, June 12.—Amid tremendous applause the American Federation of Labor at its annual convention here today adopted a report condemning the republican convention in Chicago for "turning its back on labor," in adopting its platform. During the reading of the report presented by Samuel Gompers and vice president, the labor leaders were denouncing the republican platform while the critics received applause.

The report was ordered printed and distributed to organized labor. It asserted that the labor declaration of the republican platform proposed an industrial enslavement and an abrogation of rights as precious as the life itself and that it denied the right to strike.

The labor plank, they asserted, proposed "industrial enslavement and an abrogation of rights as precious as the life itself."

The statement, presented to the convention by President Gompers, goes into detail and vigorously assails the republican platform as an abrogation of rights as precious as the life itself and that it denied the right to strike.

"It proposes the fulfillment of what long have been the hopes and aims of those whose sole object is the exploitation of the people and the exploitation of the laborer," the statement continues, "and to make the maintenance of order and to make the business of the government of the United States."

Coliseum, Chicago, June 12.—Senator Hiram Johnson held the whip hand as the republican national convention resumed balloting on Saturday. The California Senator made a final and desperate attempt to win by serving notice to the Lowden forces that unless they came over to him, he would swing his support to Leonard Wood. This caused some consternation in the Lowden camp, where, however, the shrewd leaders regarded it as a bluff and stood their ground.

Wood After Johnson, Delegate.  
On the other hand, the Wood leaders made every effort to capture Johnson delegates, by pointing out that Lowden would be named if they didn't watch out. Conferences lasted until daybreak. Apportionment for the respective managers made by the respective managers with the same indifference to the clock as if it were midnight.

Borah Serves Notice  
In the meantime Senator Borah served notice that he would support either Wood or Lowden, depending on the outcome of the convention. He threatened to bolt either Wood or Lowden if they were nominated.

Unquestionably the Johnson men will never go to Lowden. If the Johnson men are to be named, they will go to Wood. The Johnson men are to be named, they will go to Wood.

Johnson at the Opening  
A summary of the situation as the convention started balloting was this: Senator Johnson was seriously considering going to the convention and telling the delegates that he would support either Wood or Lowden, depending on the outcome of the convention.

Caruso  
Fears for  
Daughter

(East Hampton, N. Y., June 12.)  
Fear that an attempt will be made to harm Gloria, infant daughter of Enrico Caruso, has caused a heavy guard to be thrown around the singer's estate here pending investigation of the half million jewel robbery of last Tuesday.  
Letters apparently written by cranks received by Mrs. Caruso are being scrutinized by the investigators.  
A letter of different character mailed from Weehawken, N. J., furnished the police with a description of a person who was taking refuge in the New York hotel, where a negro was said to have exhibited a ring necklace which the writer thought was part of the Caruso collection.  
As an added precaution against any attempt at kidnapping, all members of the Caruso household excepting Mrs. Caruso, have armed themselves. It was learned Mrs. Park Benjamin, Mrs. Caruso's sister-in-law, has moved here from New York and is doing "guard duty." She has a reputation as a good shot.

Convention News  
in Brief

Chicago, June 12.—A fight is on in the Wisconsin delegation over where the vote should go for La Follette for three ballots except the two from the first district delegates. When the first district delegates voted for La Follette, a loud laugh went up and hissing followed from the galleries. La Follette's name was not presented for the presidency. Senator Lockney was one of the delegates to the convention. He was seen in the Wisconsin delegation and waving an American flag as Hoover's name was presented.

Dr. Nicholas Murray Butler reassured his delegates after the convention hall was reached and Lowden proved to be the chief beneficiary.

Chas. Graham, of Ripon, and John Hatz, of Racine, are said to be the two delegates who broke from the La Follette ranks and voted for Johnson.

Bishop Nicholson offered prayer this morning. Directly after the fifth ballot was cast for.

More candidates were presented for the convention's approval than in any convention or democratic caucus. Eleven names were before the convention in the balloting.

It was 10:25 when Chairman Lodge called the convention to order for the day's conflict.

On the fifth ballot, Wisconsin went back to the original vote of 24 for La Follette, 14 for Wood, 12 for Johnson.

Lowden's gain on the fifth ballot stirred the Wood men to renewed effort and they went at the delegates to fight the battle to the finish. With Johnson's vote partly going to Wood, the sixth ballot was called.

There was a tense excitement in the convention as the roll of delegates for the sixth was called.

When New York voted 42 to Lowden there was a roar of cheer from the Lowden men that swept the Coliseum.

Wood, Harding and Lowden all made small gains. Wood made a gain on the seventh. Wood made a gain in Michigan on the seventh ballot. The first gain on the 7th ballot was to Harding. He got 2 from Alabama.

Senator Lenroot broke into the balloting on the seventh when one vote came to him from New York.

But Fail to Reach GoalJohnson Strength Goes to Wood in Some States  
But Balloting Shows Ohio Senator's  
Strength.

(By Associated Press.)  
At the end of the 8th ballot at the republican national convention today just as a tide for Senator Harding was rising throughout the hall a recess was taken until 4 o'clock in the afternoon. At the first the Harding managers, Gov. Willis of Ohio and Myron T. Herrick protested against the recess but after a platform conference agreed to it and on leaving the conference Mr. Willis said:

"It will be Harding as soon as we come back."  
Just before the recess Missouri attempted to change her vote to throw all 36 to Harding but delayed and at the same time it became known that accession to the Harding column were about to come in from Kansas.

It was also reported that Massachusetts would go to Harding on the opening ballot after the recess.  
The Harding tide which began last night when after a day of unsuccessful balloting the leaders went into conference when the convention assembled and continued to rise steadily throughout the balloting until it ran over the hundred mark. When it passed the 100 mark there were signs of breaking from many sides.

Word came to the hall from Senator Penrose of Pennsylvania that the nomination of Mr. Harding would not be displeasing to him and the word generally spread throughout the convention that many delegations were preparing to "get on the band wagon" with the coming ballots.

Vice President 200  
During the noon recess it was understood vice presidential candidates were to be discussed. In that connection Senator Harding's conference late last night and early this morning with Senator Johnson was recalled as was Senator Johnson's repeated declaration that he would accept no second place on any ticket. It was reported in the convention hall that Senator Johnson threatened to throw his votes to Gen. Wood unless a recess was taken. His managers challenged the statement declaring that Johnson did not control the delegates. The Harding managers went down to again confer with the Johnson forces and try to bring them into a program suggested by Johnson. Johnson would be given second place he would take it, and if not a "yes" in the convention.

A large group of leaders on the platform said it was important that they have time to talk over the situation before entering upon another ballot.

They assumed there was no longer any question but that Harding would win and they were not much troubled by the fact that they were not available man for the presidency. The more conservative leaders who opposed to Senator Johnson although some of them thought it would make for pay money if a place in the ticket were offered him.

It has been generally known that Senator Johnson was very much opposed to Senator Harding's nomination. As soon as it became known that the convention gave evidence of being about ready to take sides for his nominee, Senator Johnson invited to Senator Harding for a conference to go over the whole subject.

Gov. Lowden passed General Wood on the fifth ballot in the republican convention today and the prediction of the Wood managers that they would gain votes on the first ballot of the day was not fulfilled. Lowden ran up to 304 while Wood only touched 289. Johnson fell to 183 1/2.

Wood lost 14 1/2 votes when Missouri was reached. Lowden had lost 14 1/2. Harding was making gains. 14 1/2. Harding threw 42 to Lowden a great roar swept the hall and the Lowden leaders went into a loud demonstration. Ohio asked for a recess and some good through the hall as the roll was called.

New York's troubles.  
When the convention was called to order the New York delegation was out trying to determine as the roll was called.

POLES SHUT OFF  
BY LENINE TROOPS

(By Associated Press.)  
Warsaw, June 11.—Russian bolshevik cavalry engaged in the drive southwest of Kiev, designed to encircle that city, has cut the railroad between Kiev and Berdichev at several places and has placed the Polish front lines at various points. It is reported to number from 30,000 to 40,000 strong.

This leaves the Poles with but a single line of railroad into Kiev.

London, June 12.—The Polish lines north and south of Kiev on the west bank of the Dnieper are being driven in by the bolshevik who are cutting the Polish railway communication with the city, according to Friday's official statement from Moscow. The statement says:

"Outside of Kiev, on the right bank of the Dnieper, we are driving back the Poles from the north and the south. A number of villages along the Korosten-Kiev railway, together with Pustova, are in our hands."

"West of the Dniepr our troops occupied a series of points fourteen miles from the town."

# CHARGE OUTRAGES ON COAL MINERS

American Federation Convention at Montreal on West Virginia Case.

Montreal, June 12.—Charging that "unpleasant outrages" inflicted upon the mine workers of West Virginia by hundreds of armed detectives and gunmen employed by the coal interests have become a matter of national shame, the United Mine Workers of America today called upon Congress to demand a senatorial investigation into conditions there.

The resolution asserts that there are 40,000 mine workers in West Virginia who are denied opportunity of obtaining members of a labor organization and prohibited from enjoying any of the privileges and rights of citizenship.

The resolution probably will be acted upon within a few days, union leaders say.

**Union Government Factory**

Benjamin Schlesinger, international president of the Ladies Garment Workers, announced the association would establish a union garment factory and union stores. The purpose, he said, is to demonstrate that it is possible to have the best of both worlds—ideal conditions with a 7-hour working day, make a small profit and yet sell at reasonable prices to move the laborer out of the slum factor in the high cost of clothing.

A congressional investigation into alleged "unpleasant outrages" inflicted upon the mine workers by the "coal interests" in West Virginia is demanded in a resolution unanimously adopted by the annual convention of the American Federation of Labor.

# NEW TYPE OF HOUSE FINDS FAVOR HERE

The innovation of Supt. J. R. Williams of the Waukesha public schools—a compact four room, one-story house—has found favor among the city of Janesville business men who have adopted the plan for the construction of the American Federation of Labor.

J. P. Cullen, R. D. Harmon, J. D. Hegg, H. H. Gallagher, Merton R. Fish, and J. T. Thornton composed the party.

The average size of the homes is 18x24, though the permits of any dimensions. They are equipped for both gas and electric light, sewerage, sink, shower bath and pipeless flues. The houses are known at Waukesha, have the first floor sunk a distance of three or four feet below the surface. The walls are water-proofed. Ceilings are 8 1/2 feet.

Entering the coat bin is at one side. Behind it is the shower bath. The kitchenette and living room are in the rear. A partition, of either French doors or solid, divides the living room from the kitchen. The upper floor ascends from the rear room. Above is also divided into two compartments, combination sleeping and living quarters. The living quarters on the upper floor are a large wardrobe bed and another folding bed is in the opposite corner. Sliding glass doors give access to the sleeping chamber.

The Janesville men agree the type appeals particularly to the working man. It is said that they can be built at a cost of \$1,200, in the neighborhood of \$1,200.

Plans, specifications and pictures of the unit have been sent to the Janesville men by Supt. Williams. They are expected to arrive some time next week.

# TWO DEATHS AT CLINTON WEDNESDAY

Clinton, June 11.—John W. Wells died suddenly at her home Wednesday night at 10 o'clock when she turned off an electric light. Death is believed to have been due to an overcharge on the electric line. She had spoken several times of receiving severe electric shocks from the light. Funeral arrangements have not yet been made.

Monroe died very suddenly Wednesday afternoon at 6 o'clock at his home on Cross street. He was down town at the drug store on a short time before apparently as well as ever. He started to walk out of the store and fell and was carried to his home, where he died shortly.

Mr. Monroe was born in the state of Maine about 74 years ago and came west with his parents when he was three years old and settled in Johnston and Fairfield. He was married and lived on a farm in Bradford for a good many years. He had lived in Clinton for twenty-three years. He leaves four children, Albert E. Monroe, of this place, Mrs. Ed. Gardner, Beloit, Mrs. Will Westby, Fort Madison, and Mrs. Red Collins, Beloit. The funeral was held this afternoon at the home of his son, A. E. Monroe.

# MARRIAGE BUREAU LANDS NEGRESS IN JAIL AT MADISON

According to the allegations, Margaretta Burdington, a colored belle of Romona, Green county, had a contemptuous attitude toward the well known male of the species was more or less susceptible to the delicate workings of a matrimonial agency. Particularly those old fellows with young ideas, and more or less of the worldly cash, whether it was tied up in the old homestead, stocks and bonds in the village bank or even ready for instant call. Further, the allegations aver that Margaretta conducted an extensive correspondence. It is alleged she collected \$50 to \$60 in advance, invariably failing to get the particular type of womanhood that her clients were described to her customers.

In the court of United States Court Commissioner Stanley D. Tallman here yesterday, she maintained a defense that was painful, absolutely refused to commit herself to any of the questions, and as the result was bound over to the federal court at Madison under bail of \$2,500. Not having the cash she is in custody in Dane county.

Clarence Hemmens, an employee of the Sheldon Hardware company, was taken to the hospital this morning in a collision with a truck, said to have been driven by a woman.

The accident occurred at the intersection of South Main and South Third streets, between 6 and 7 o'clock this morning. He could explain little as to how the accident happened.

It being declared he was traveling only from 10 to 12 miles an hour.

# GALILEO'S HOME TO BE NATIONAL MONUMENT

Rome—A movement has been started to make the house at Arcetri called "Jewel," where Galileo lived from 1612 to 1642 a national monument and to collect there all Galileo relics. While Galileo lived at Arcetri he was called to Rome to answer a charge of heresy before the inquisition.

On his return he witnessed the death of his daughter who was a nun. In this particular house he died. In this house he wrote his masterpiece, "Dialogue of new sciences." It was there also that he received the papal condemnation and was placed in a prison with a golden chain in acknowledgement of his services to science.

# RUMANIA BADLY IN NEED OF IRON, STEEL

Jassy, Rumania—Rumania is badly in need of iron and steel. For nearly seven years steel and iron imports have been fast being used during the war. For reconstruction purposes hundreds of thousands of tons are needed. Rumania is a large producer of iron and steel. However, all of Rumania's needs could be met if only the deposits of iron ore in the Dobruja.

# Bulgarians Wonder Where War Arms Came From

Sofia.—The Bulgarian government has received a telegram from the minister of foreign affairs of the bolshevik government in Russia protesting against the alleged delivery of the forces opposing the bolshevik troops of arms and munitions by the Bulgarians. The Bulgarian foreign minister has replied that all arms and munitions have been confiscated by the French and that therefore it is not in a position to furnish arms to anyone. He added that the Bulgarian government has no knowledge of the present dispositions of these arms and that it will not be responsible if they are in use.

# ROCK COUNTY "Y" PRAISED FOR WORK

State Officer Speaks Highly of Organization—New Officers Elected.

Excellent work done by the Rock County Y. M. C. A. during the past year was reviewed and praised by State Secretary F. Anderson, who presided at the annual conference of the organization held at the city association building last night. Mr. Anderson paid a tribute when he said if he had more organizations like the one in this county he would be able to have a county Y. M. C. A. in every county of the state. He told about the expansion of state work.

The dinner, attended by 19 representatives of nearly all the townships of the county was followed by the election of a new county committee, as follows:

Chairman, Clinton, chairman; S. M. Smith, Janesville, vice-chairman; Dr. L. M. Babcock, Clinton, secretary; and Edward Madison, treasurer.

**Financial Condition Encouraging.**—Glenn Adams, head of boys' high school work in the Chicago association, and who was raised near Clinton, addressed the group. Mr. Adams said that the "Y" in Siberia for some time has been the most experienced. The report of the treasurer showed there are enough unpaid subscriptions to keep up all the facilities. The first time that the year has closed for the county association with no indebtedness.

**County Committee Named.**—A new county committee for the ensuing year was chosen as follows: Bergen, M. O. Nutea; Clinton, Solon Cooper; Edgemoor, Andrew McIntosh; C. W. Birkenmeier, Conrad Middleton; Emerald Grove, E. L. Evans; Janesville, W. W. Waddell; Beloit, Edgar Huebner; Fostell, C. A. Gausman; Fulton, J. M. Smith; L. A. Markham, John Beck; Milton, Prof. E. J. Bohلمان was arrested here once before on a similar charge. After divorce he married another woman who is the complaining witness in the case now pending.

Bohلمان was found by police this time in Black River Falls, Wis.

# AMERICANS OFF TO ZIONIST CONFERENCE

New York.—The first group of American delegates to the International Zionist conference which convenes in London July 4 has been named. The group will include 39 American delegates to this conference, considered by American Zionists as most momentous gathering. The others will leave for England next Saturday.

In the party are Justice Louis D. Brandeis of the United States Supreme court, president of the Zionist Organization of America; Judge Julian W. Mack of the United States district court, president of the American Zionist Council; Mrs. Mary Fels; Jacob de Haas, Zionist executive secretary; Louis Lipsky, organization secretary; Arnold Zolli, chairman; and David Rosenbloom.

The first world Zionist conference held in six years since the outbreak of the war, the forthcoming convention is considered of importance because it will deal with the practical problems of the Jewish National Home. Delegates will attend from every country in Europe, Palestine, Argentina, Australia, Canada, and New Zealand.

# JOHN BULL PAYS FOR HEALTHY BABIES

John Bull believes that healthy babies make strong men, and is willing to pay for them, according to reports recently received by the Children's Bureau of the U. S. Department of Labor. In 1918 grants made by the national government in support of infant welfare work in England and Wales amounted to about \$1,150,000, which represents one-half of approved expenditure for maternity care and similar work for mothers and children.

The number of health centers increased from 850 in 1917 to 1,000 in 1918, over 80 per cent of them supported entirely by public funds. Attendance at the centers has also shown a phenomenal increase. The center in Gloucester, which in 1918 received 263 expectant mothers, had 323 on its rolls in 1919.

As a result, it is thought, of public protection of maternity and infant care, the infant mortality rate for England and Wales for 1918 is 94. There was no increase over 1917 even under the adverse conditions of war and influenza.

The 1918 infant mortality rate for the U. S. birth registration area, just published, is 101.7 points higher than the rate for the preceding year. Children's Bureau investigations have shown that Uncle Sam's babies die because their mothers have not had the skilled care. Until such care is made available, as in England, for all women in all parts of the country, regardless of economic standing, no great decline in the infant mortality rate may be expected.

# CONFERENCE ON TUBERCULOSIS HELD AT RACINE, FRIDAY

Representatives of tuberculosis sanatoria from all parts of Wisconsin, including superintendents, trustees, doctors, nurses and county board members, were in attendance at the Mid Year Sanatorium Conference held at Sunny Rest sanatorium, Friday, June 11.

An important feature of the meeting was the discussion of the program of the American Sanatorium Association to grade all tuberculosis sanatoria in the country according to their equipment, management, location and medical supervision. The object of the discussion was to familiarize sanatorium heads with the requirements of the association and give them an opportunity to bring their institutions up to the standard. If they have not already done so, before the work of grading begins in Wisconsin.

Dr. J. W. Coon, president of the Wisconsin Anti-Tuberculosis association and superintendent of River Pines sanatorium, Stevens Point, presided at the meeting, and also spoke on "Location, Plans and Equipment of Sanatoria." Other speakers were Dr. C. E. Hop, superintendent of Milwaukee, Milwaukee county's sanatorium, on "Medical Supervision of a Large Tuberculosis Sanatorium;" Dr. J. L. Bell, superintendent of Riverview, Outagamie county's sanatorium, Kaukauna, on "Medical Supervision of a Small Tuberculosis Sanatorium;" Dr. L. Williams, superintendent of Stateside, the state sanatorium; Miss Majli Buckstaff, on "Location, Plans and Equipment of a Sanatorium;" Miss M. A. Isenberg, supervising nurse of River Pines sanatorium, on "Business Management of a Sanatorium;" Dr. J. L. Bell, superintendent of Riverview, on "Progress of Occupational Therapy in Wisconsin County Sanatoria;" Theo J. Werle of the staff of the Wisconsin Anti-Tuberculosis association, on "Some Points in Legislation."

# WILCOX AT STATE GOLFERS' SESSION

Changes in state golf cup play and matters pertaining to the 1920 state tournament at the Maple Bluff course were discussed by officials today to come up at the meeting of the officials and board of directors of the Wisconsin Golf Association, which was held at the Maple Bluff club, Madison, this morning.

No conditions were attached to the contest for the Yale cup when it was donated and it is the wish of the association to lay down some regular rules to be followed for this.

The annual state tournament will be held July 21 to 23. J. L. Wilcox, this city, one of the doctors present to Madison to attend the meeting.

WHILE it is universally admitted that the CROW ELKHART is of great beauty in design and unequalled in performance, we wish to make an announcement to prospective buyers that they may have better data for comparison. We name a few of the other cars of known merit using the same high grade units in their construction:

AXLES—"Salsbury"—used on Grant, Elcar, Commonwealth, and Olympian.  
 SPRINGS—"Standard"—used on Cadillac, Apperson, Mercer, Winton and Paige.  
 UNIVERSAL JOINTS—"Thermoid Hardy Frictionless" used on Franklin, Lexington, Mercer, Studebaker and Reo.  
 FRAMES—"Parrish and Bingham" used on Cadillac, Mercer, National, Premier and Haynes.  
 STEERING GEAR—"Detwiler" used on the Moon, Pilot and Elcar.  
 CLUTCH—"Borg and Beck" used on McFarland, Haynes, Franklin, Premier and Paige.  
 DIFFERENTIAL GEARS—"Warner" used on Apperson, Cadillac, Hudson, Paige and Nash.

In a word the manufacture of the Crow-Elkhart Car use only the best units that can be made to build a car, whose value, is far in excess of its price.

Let us demonstrate this car to you.

Price is not the most important consideration in the selection of an automobile.

Value is!

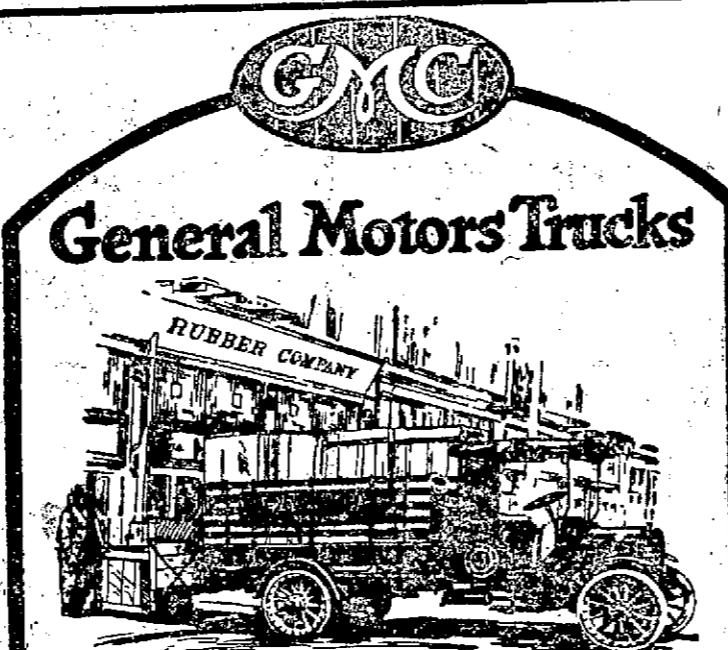

The price of the Dort is not high, but it is sufficient to include important features that cheaper cars do not have.

At the same time it is much lower in price than other cars which possess those features.

It will, therefore, satisfy the purchaser who has paid more for a car in the past—while to him who has paid less it will prove an unexpected revelation.

It is a trim, well finished automobile, of correct proportions, with riding and driving qualities quite distinctive among cars of its class.

The room part can be detached from the car proper while the car is used for going to a nearby town for more provisions.

News Notes From Movieland  
—BY DAISY DEAN—

Actresses have always been accused of excessive extravagance, particularly when it was a matter of clothes. If Miss Colleen Moore has her way, however, they will not only shatter that reputation but they will give the reputation to the other side. The old high cost of living a jolt Colleen has just formed a "No Hats for Summer" club in Los Angeles which she hopes will become popular in other states. Colleen says she enrolled five hundred members for the club on her first canvass among Los Angeles high school girls. Next she is going to make a drive among employees of stores and factories.

"With summer coming on there is no particular need for hats," says Miss Moore, "and if women just stop

buying and wearing them prices will soon come down. And besides saving money we will be saving our hair as well. There is nothing better for the hair than sun and air, and a few weeks without a hat will prove a good treatment for the scalp as well as the producers."

If Colleen's pretty, curly hair is a sample of what fresh air and no hat will accomplish, everybody who is joining her club and living by its slogan, "Save your money and your hair," "WHAT THEY'RE DOING."

The title of Chaplin's next five-reeler is to be "The Kid."

Florence Vidor will have an opportunity to wear some beautiful clothes in her husband's next picture, "The Jackknife Man," in contrast to the simple garb she wore in "The Family Honor."

The biblical story of the queen of Sheba will be filmed by Fox. It is announced, J. Gordon Edwards, who made "Cleopatra," and who will direct this proposed spectacle. The picture will be filmed in New York.

Joanna Standing, daughter of Herbert Standing, will be featured in a series of comedies shortly.

Florence Moore will be featured in pictures by Marcus Loew.

Louis Bannison has signed a long term contract with Klaw and Erlanger by which he will star on Broadway and then make pictures of the same plays.

Bertram Grassby will play a part in the next Clara Kimball Young picture, "Midnight," a stage success introduced by Ethel Barrymore.

George Sargent, a former major in the army, will direct Alice Joyce in her new picture, "The Prey."

RURAL PHOTOPLAYS. Rural movies plenty are promised to the movie goer this summer. Five

are now under way. They are Griffith's version of "Way Down East," Tourneur's version of "The Old Homestead," and two others, "Quincy Adams Sawyer," and "The Village Postmaster."

FANNIE'S FRENCH PLAYS. Two movies made by Fannie Ward in France are being brought to the United States. The picture also will be shown in France.

CHINA IS A HEAVY BUYER OF OUR TOBACCO. Hongkong.—Despite the fact that Hongkong takes American leaf tobacco to the value of almost \$2,000,000 per annum and imports Philippine leaf tobacco to the value of \$800,000 more, the export of tobacco and tobacco products from the port

is nearly twice its imports. It is difficult to secure reliable figures as to all aspects of the trade, for the unofficial import returns of Hongkong do not include imports from South China ports, whence most of the Chinese leaf and prepared tobacco come.

There is also some difference as to the classification of "raw" and "prepared" tobacco in the Chinese and Hongkong returns. The Chinese customs returns show exports of tobacco leaf and stock from China to Hongkong in 1918 to the value of \$251,864 and of "prepared" tobacco to the value of \$2,034,396. About five-sixths of these imports come from ports in China whose exports to far have not been included in Hongkong returns, thus leaving something like \$2,500,000 worth of tobacco from South China to be added to the ports imports as shown by Hongkong statistics.

Of the imports of raw leaf tobacco the United States is credited in the Hongkong returns with a value of 1,831,177, the Philippines also being credited with a value of \$309,707.

GRAIN Weekly Review. Chicago, June 12.—Wheat have made spectacular jumps in price this week with transactions large. The bullish government action was largely responsible. Compared with a week ago, oats today were up 5¢ to 8¢; corn was 1/2¢ off to 2¢ higher, and provisions varying from 15¢ decline to 75¢ advance.

The market closed heavy, 1/2¢ to 3/4¢ net lower with July 17 1/2¢ @ 1.71 1/2¢ and September 1.62 @ 1.52 1/2¢.

Chicago Review. Chicago, June 12.—Dry weather had a bullish effect today on the grain market, but profit taking by holders brought a reaction. Opening prices, with July 11 1/2¢ to 12 1/2¢ were followed by a setback to below yesterday's finish.

Corn was relatively weak. After opening with July 7 1/4¢ @ 1.75 1/2¢, and Sept. 1.62 1/2¢ @ 1.64, the market declined as a drag on provisions.

BEAUTIFUL HOMES

FIRST FLOOR PLAN

PLANS DESIGN No. 722

SECOND FLOOR PLAN

Design No. 722. This is a studio, shingle semi-bungalow, size 24 by 26 feet, exclusive of sun parlor and garage, with 8-foot ceiling on first floor and full 8-foot ceiling on second floor, no corner cut-out, with absolutely no waste space anywhere. Has large living room across the entire front, with French doors leading to sun room, brick fireplace, bookcases in arch opening, large buffet and china closets in dining room with windows at back giving it a grand appearance and carrying out perfect system in architecture. The woodwork in living room and dining room can be birch, stained mahogany, the sun room is finished old ivory. The balance of the house can be finished in birch or fir, either natural or white enamel, the doors on second floor are stained mahogany. The entire house is insulated, including ceiling of second floor, making it warm in winter and cool in summer, concrete foundation under entire house and laundry in basement. The garage at rear and forming part of this house is a very convenient feature, same being heated by providing two openings from basement. The house including sun room is heated with hot water. A side grade entry has been provided which affords easy access to basement from outside.

Large scale can be obtained through information at this office

The Economy  
COMBINATION DOOR

As its name implies, the ECONOMY DOOR is an economical door, being in reality a combination of doors. It gives you two doors in one—a screen door in summer and a storm door in winter. Unlike the single screen or storm door, the ECONOMY DOOR when once hung need not be taken down and changed. Merely turning the two ingenious buttons at the top permits either the storm or screen sash to be removed.

In addition to convenience in operation, the ECONOMY DOOR is very economical in cost. A door that will give utmost satisfaction in Design, Material and Workmanship.

We also are prepared to furnish window screens and door screens in all stock sizes promptly.
